8. Purpose / Aims / Objectives of the event: *The Indian government has embarked on a programme to turn the country into a digital economy which although is likely to trigger a fresh wave of economic growth, but will also pose a big challenge of cyber security as increasing amount of consumer and citizen data will be stored digitally and a large number of transactions will be carried out online by companies, individuals as well as government departments. That makes India a big target for cyber-criminals and hackers. The purpose of cyber security awareness is to focus attention on security, creating sensitivity to the threats and vulnerabilities of computer systems and recognition of the need to protect data, information and systems on the individual as well as institution level So that we all are better prepared to handle this threat.*
