INVITATION

Dear Madam/Sir,
It is our pleasure to announce that the IQAC, P.N. Das College is going to organize a State Level Seminar on
"Environmental Audit in Higher Educational Institutions: Framework and Implementation" on 29th August, 2019.
The Thrust Areas are
• Understanding the scope of Green Audit
• To understand the practices involved
• Use of alternative energy sources
• Waste Management
• Measures to be adopted for compliance of applicable environmental laws

OBJECTIVES

The introduction of environmental audit in educational institutions is to introduce the stakeholders to real concerns of environment and its sustainability using the campus as a study site, to analyse the pattern and extent of resources used in the campus, to establish a baseline data to assess future sustainability plans, to make the institution environmentally more sustainable and to bring out a status report on environmental compliance.

So it is time to spread awareness among all stakeholders, including students, through different awareness programmes. In this context, we intend to organize a seminar on this issue.

The objectives of this seminar are:

- To find out an ideal environmental audit programme the proper design and implementation of which can enhance an institution's environmental performance.
- Conservation of energy resources through the exploration of the sources of alternative energy.
- To develop techniques for waste management.
- Procedures to maintain occupational and mental health of the faculty members as well as the students.
- Assessment of compliance with regulatory requirements.
- Controlling pollution in the institution in every aspect.
