10. Beneficiaries / participants / audience (Type and/or number):

Department of Education (Students)

11. Outcome of the activity [Tick or underline the suitable alternative(s) and give details]:
awareness / prizes won / social service / personality development (name the aspects) / skill testing or development, etc.

It enables the students to express their inner feelings. It also helps them in developing the positive and desirable qualities. Students learnt the skill of working in groups, making their place in a group, arguing logically, selecting suitable material, respecting each other's opinions, accepting differences, and developing coordination. Their small group becomes a complete society.

12. Quantitative information: Number of teachers, students, participants, teams, events, categories, colleges, universities involved in the organization of the event:

Students: 17

13. Any other information/report/remarks/comments:

We are really thankful to our students for their dedication and hard work. Good wishes for them.
