Deployment of Institutional Development Plan

The institution follows the Institutional Development Plan (Long Term) and Annual Plan of Action of the IQAC (Short Term).

Initiatives have been taken in almost all the areas for providing the stakeholders with maximum facilities.

Some activities highlighting the deployment of the plans are as under:

- ICT based learning has been adopted successfully through Learning Management System (LMS), Learning Modules developed by the faculty members, use of Google Classrooms etc.
- Number of ICT enabled classrooms are now 14 out of 25 classrooms.
- Slow and Advanced learners are identified and are catered to through different activities.
- Library is fully automated and executes all the essential activities like Earn While You Learn, Book Talk etc with enthusiasm.
- E- Governance in all the areas of Administration.
- Choice Based Credit System has been implemented successfully from 2018-19 session.
