Resolution of meeting on 18th July, 2021

New students have arrived and through online admission.

It is informed that since we are preparing for NAAC in earnest speed we also need to cater our students especially the 1st year students so that they do not stray from the course. A new teacher has been appointed, Amrita Sarkar since Oindrilla Sengupta has resigned.

University results for 3rd year was good but the department is worried about the results for 2nd year which could be poor. Though we notified the HOD and Principal about their poor attendance and effort they did not take their studies seriously.

Activities like Wall Magazine, Extempore, Debate, Mock parliament, quiz competition have been introduced and students are actively participating in these, apart from the cultural programmes.

Department is preparing a students' journal by and for the students. We have decided on student members and editors. Teachers are going to guide them.

It was happy to announce that the department is collaborating with the department of English of Kalyananda College, Barrackpore. It is an UGC State level Seminar in September.

There will be 3 UGC seminars in August and September, in department of Philosophy, (State level), (State) and Political Science, (National seminar).

Meeting ended with a vote of Thanks to the chair.

Minutes of the meeting of the Department of Mathematics dated 21.06.2019

A departmental meeting was held on 21.06.2019 in the Department of Mathematics with the presence of T.C.S. The following discussion and decisions were obtained.

At the beginning of the meeting, HOD Dr. B Biswas thanked the TCS for attending the meeting.

1. TCS, Professor K. Sen Banerjee requested to get preparation for the upcoming academic session to be started soon. It may be online or off line classes. So the departmental activities should be flexible.
2. The H.O.D informed that in the previous year the number of classes for all the semesters was not sufficient to cover all syllabuses and extra classes were taken for that purpose. Routine committee should arrange more classes for the said students.
3. TCS opined that it is very challenging to prepare proper routine as well as the academic calendar due to pandemic situation because there is data limit for students.
4. TCS also suggested that all the departmental data will be kept properly for the proposed NAAC visit.
5. Since there was no other discussion, the meeting was ended with thanks.
